

# 8 COMPASSIONATE TIPS FOR TALKING WITH YOUR PARENT ABOUT ASSISTED LIVING

**BONUS TIPS**

- BRING RESOURCES**  
Share information about options like Mustang Creek Estates. Knowing there’s a welcoming, affordable community built just for seniors can ease concerns and open up possibilities.
- HIGHLIGHT SUPPORT**  
Reassure them they’re not alone. Any of our six DFW-area neighborhoods are just a call or text away, ready to provide support, guidance, and answers to help make the process easier.
- FOLLOW UP**  
Keep the conversation going. Regular check-ins allow everyone to share thoughts, address concerns, and feel more comfortable as plans take shape.
